

SUB-FUND ESTABLISHMENT FORM

Thank you for choosing to become part of the Australian Communities Foundation (ACF).

Please complete this form to request the establishment of a named sub-fund with ACF.

The form seeks information that will assist ACF in understanding your vision and preferences.

Background information and a summary of policies and procedures relating to the establishment and maintenance of a sub-fund with ACF are provided in the Sub-fund Manual. A copy of the manual will be sent to you, once the establishment of the sub-fund is approved.

1. TYPE OF SUB-FUND

Australian Communities Foundation Limited (the Trustee), ABN 20 077 830 347 is Trustee for 3 funds.

- ◆ **Australian Communities Foundation Fund** is a tax deductible Trust Fund. It can make grants to charitable organisations endorsed by the ATO as having TCC (Tax Concession Charity) and item 1 DGR (Deductible Gift Recipient) status. It can also make grants to exempt organisations that would be charitable but for their connection with government and which are item 1 DGRs.

- ◆ **Australian Communities Foundation Extension Fund** is a non-tax deductible charitable Trust Fund. It can make grants for charitable purposes to organisations and to individuals; the essential characteristic being that it is charitable at law and of recognised benefit to the community.

- ◆ **Australian Communities Foundation Scholarship Fund** is a tax deductible Trust Fund. It can make grants to organisations, schools and individuals for the purposes of educational scholarships, prizes and bursaries, within the requirements of the Trust Deed.

The donor requests a sub-fund be maintained by the Trustee for the recording of gifts from the donor and from others, and the recording of grants from the sub-fund. **(Please select the relevant Trust Fund)**

2. NAME OF SUB-FUND

You may request a name for the sub-fund. This can be after yourself, your family, a loved one, a business, for a relevant cause or issue, or after something meaningful to you. The Australian Taxation Office (ATO) does not allow the use of the words 'foundation' or 'trust' to be used in the name of sub-funds, as this suggests a separate legal entity.

3. FUND CATEGORY

- Individual
- Family
- Group of like-minded individuals, connected by a cause or goal
- Corporate
- Local Government
- Not-for-profit

Not-for-profit (internal granting) 'future' sub-funds are funds established by a not-for-profit organisation. The not-for-profit needs to have full DGR status and be registered with the Australian Charities and Not-for profit Commission (ACNC). ACF not-for-profit funds can only grant back to themselves once per year. Additional grants will incur an incremental fee.

- Not-for-profit (external granting to outside organisations/individuals)

6. ESTABLISHMENT DONATION

Sub-funds must be established with a minimum of \$20,000, or \$50,000 for corporate sub-funds. Note, there is no upper limit. It is expected that sub-funds will build to a minimum of \$100,000 over time, through ongoing donations or bequest.

The donor proposes to make unconditional gifts to Australian Communities Foundation, starting with a total gift of: \$

Please indicate donation method:

- Cheque made payable to Australian Communities Foundation
- Online donation (direct debit/credit card)
- Other (for further information on the types of gifts that can be made to ACF, please download the Gift Acceptance policy from the ACF website)

7. INVESTMENT APPROACH

The majority of ACF's sub-funds are established in perpetuity as endowment sub-funds. The default investment strategy for these is one seeking long-term capital appreciation.

In some cases flow through sub-funds are established with the intention of granting out the corpus over a specific period, generally from 12 months to 5 years. A medium term income investment strategy is available for this purpose.

- Please tick if you will be requesting a flow through sub-fund i.e. granting out the corpus in less than 5 years.

All decisions relating to Australian Communities Foundations' investment of the Trust Funds are the legal responsibility of the Trustee, through the Board. Investment matters are dealt with by the Board's Finance and Investment Committee, which is responsible for the design and execution of the asset allocation strategy and investment activities.

On establishment of sub-funds ACF allows donors to express an investment preference, based on whether they are requesting a long term endowment sub-fund or a flow through sub-fund.

Please select your preference:

- Long term growth
- Medium term income (not available for Extension and Scholarship Funds)

Contact us for further information on ACF's investment approach or to request a copy of the Investment Policy.

8. SUB-FUND STATEMENT OF PURPOSE

Each year ACF publishes a list of all sub-funds together with a short statement about the sub-fund's purpose or special interests. If known, please provide a statement (one or two sentences) about your sub-fund's purpose, priorities or special interests. This can also be provided after the sub-fund is established and can be updated each year at the annual sub-fund review.

9. DONOR GRANTMAKING AREAS OF INTEREST

Understanding your areas of interest and funding priorities enables ACF to keep you informed about relevant issues, project requests and events.

Please select at least one area of interest and /or target group.

10. SUB-FUND RECOGNITION

ACF includes information about sub-funds, donors and grants in its newsletters, publications and on its website. In addition, sub-funds are generally named in approval letters to grant recipients and grant recipients are requested to acknowledge ACF and the relevant sub-fund in material related to grants made.

Please indicate if you would prefer to remain anonymous.

11. FUTURE OF THE SUB-FUND

ACF encourages donors to have written plans for the sub-fund once they are no longer able to be involved, through a statement of wishes. Initial preferences are sought below, but opportunities to discuss, finalise and revise these are provided as part of ACF's ongoing donor relationship program.

Bequest

Yes, I will be leaving a bequest in my will to ACF to be added to this sub-fund or to the ACF Impact Fund.

I am unsure if I will be leaving a bequest to ACF, and would like to discuss it further at my annual sub-fund review.

Sub-fund Succession plan

There are a number of ways a sub-fund can continue to give once the donor is no longer involved (for example, after death, through incapacity or upon resignation as sub-fund contact). Some donors request that ACF continues to make grants in line with the founding donor's interests and preferences. Others see it as an opportunity to help successive generations learn about and become involved in charitable giving. Please indicate your preference if known:

I request that Australian Communities Foundation discontinues the named sub-fund and places the remaining funds in the ACF Impact Fund.

I request that Australian Communities Foundation continues the named sub-fund and makes grants in its name to initiatives identified by the ACF Impact Fund.

I request that Australian Communities Foundation continues the named sub-fund and grants 4% of the net assets attributed to the sub-fund annually, in line with my funding priority areas.

I want to appoint successor adviser/s to request grants from the sub-fund in the future.
I acknowledge any successor will be required to sign an acknowledgement similar to this establishment form.

I have no succession plans or preferences at this stage.

Please provide contact information for successor advisor/s (if known):

SCHEDULE 2

DONOR ADMINISTRATION & SUPPORT FEE

ACF charges fees which are subject to periodic review and amendment by the Trustee.

There are no fees to establish a sub-fund. To assist with ongoing costs, ACF charges a Donor Administration & Support Fee.

This provides the necessary resources to operate efficiently and effectively, ensuring fiscal responsibility in grant due diligence, donor education, research, reporting and compliance and other activities.

ACF has a cumulative, tiered fee structure. Fees are assessed and deducted monthly based on sub-fund balances. The breakdown of the administration fee is as follows:

BALANCE	ANNUAL FEE
Assets up to \$500,000	2.2%
Next \$500,000 - \$1M	2.0%
Next \$1M - \$2.5M	1.0%
Assets over \$2.5M	0.5%
Not-for-profit organisations	1.2% on balances up to \$1M. Once a not-for-profit sub-fund reaches a balance of \$1M, the fee will follow the arrangements described for sub-funds. eg. \$1M-\$2.5M - 1.0% and over 2.5M - 0.5%

INVESTMENT MANAGEMENT FEE

ACF utilizes professional investment advisers to invest funds under management. The annual Investment Management Fee for this service is paid on total funds under management, as follows:

- ◆ 0.5% of capital on funds up to \$30 million and
- ◆ 0.3% of capital on funds above \$30 million.

The Investment Management Fee is assessed and deducted monthly.
